

difference.

We're a *Difference* school!

Through *Difference*,

is exploring how we can be a community
where everyone belongs.

We practice three peacemaking habits to
build a culture of hope and empathy:

Be Curious Community

Listen to others' stories
and see the world
through their eyes.

Every person is made in
the image of God.
(Genesis 1:26-27)

Be Present Embrace

Encounter others with
authenticity and confidence.

Our encounters with others
are inseparable from our
relationship with Jesus.
(John 1:14a)

Reimagine Power

Finding hope and
opportunity in places
where we long to
see change.

God is making all things
new. (Revelation 21:5)
